

April 28, 2020

Our Food Pantry is working safely and taking care of people, but we have the same issues that everyone else has shopping so here is how you can help.

They need:

canned green beans, baked beans, and peas

canned pineapple and pears

Fruit Juice, not frozen

Tuna, macaroni and cheese and canned or jarred pasta sauce

Cereal, the good stuff for kids

Jelly and regular peanut butter

Spaghetti noodles, instant mashed potatoes, elbow macaroni

Cookies and crackers

You can just drop them off on the porch of the business office which will be checked regularly. The porch of the business office is under the maroon awning off the parking lot, that little house on your left as you turn off of Northgate Drive onto our parking lot.

Thanks
